Hi Renae,

I am sure you think I am a little spacy – I don't think we have ever submitted your Invoices to [ipp.gov](http://ipp.gov) – I was thinking of another customer. Sorry – just let me know when you have approved the Invoices and I will submit them to [RTPReceiving@epa.gov](mailto:RTPReceiving@epa.gov).

Thank you,

Nancy

Hi Renae,

I have attached Isotech Invoices # 8417511, # 8417598 and # 8417599. I noticed that these POs don't reference <http://www.ipp.gov> instead they have e-mail address [RTPReceiving@epa.gov](mailto:RTPReceiving@epa.gov). I have not sent these Invoice to the new e-mail address yet, I thought I would give you a chance to look at them first. Please let me know as soon as you approve them, so I can send them to [RTPReceiving@epa.gov](mailto:RTPReceiving@epa.gov).

As you may know, Isotech Laboratories was acquired by Weatherford International in 2011. We will continue to do business as Isotech Laboratories Inc. offering the same services and products as in the past. We are currently in the process of migrating to Weatherford's accounting system. The Accounts Receivable Collection process will be managed by another group within Weatherford, so you may be contacted by Weatherford regarding any Invoices that are over 30 days old. If you have any questions, please feel free to contact us.

At some point we will need to change our Bank Information, do you happen to have a form that we can fill out?

Thank you,
